**REMARKS**

The Supplemental Information Disclosure Statement (IDS), filed December 3, 2008, has been objected to because the IDS failed to include a concise explanation of relevance or an English-language abstract for Chinese Patent Application Publication No. CN 1146466, was not provided in accordance with the requirement stated in 37 C.F.R. §1.98(a)(3). As such, this reference was not considered by the Examiner.

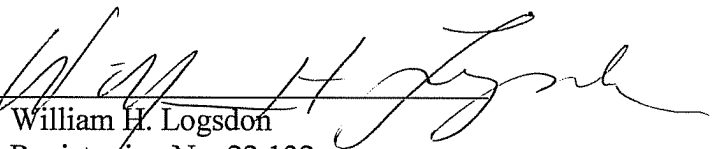

A full copy of CN 1146466, accompanied by an English-language abstract, is attached hereto. Applicant respectfully submits that the IDS is now in full compliance with the requirements of 37 C.F.R. §1.98 and request that the reference be considered by the Examiner.

This re-submission is made to correct an omission in a *bona fide* Information Disclosure Statement. In light of the above and in view of MPEP §§609.04(b)(VI) and 609.05(a), consideration of all the references listed on the attached Form PTO/SB/08a is hereby respectfully requested.

No fee is believed to be due for this submission. Nevertheless, the Commissioner of Patents is hereby authorized to charge any fees which may be required to Deposit Account No. 23-0650.

Respectfully submitted,
